Disclaimer Statement

C TO Z SUPPLIES t/a **IT Galaxy** is committed to providing accurate, reliable, and up-to-date information wherever reasonably possible.

The information, products, services, technical content, and other material published on the IT Galaxy website are provided in good faith for general information purposes only. While every reasonable effort is made to ensure that the information presented is accurate and current at the time of publication, IT Galaxy makes no representation or warranty, whether express or implied, regarding the accuracy, completeness, reliability, suitability, availability, or continued accuracy of any information contained on this website.

The information available on the IT Galaxy website should not be regarded as professional, legal, financial, technical, or other specialist advice. Users are encouraged to independently verify information before relying upon it and, where appropriate, obtain advice from suitably qualified professionals.

By accessing and using the IT Galaxy website, you acknowledge that you do so at your own discretion and risk. Your use of the website is subject to this Website Disclaimer and the IT Galaxy **Website Terms and Conditions**, **Privacy Policy**, and **Cookie Policy**, which should be read together as part of the Company's website governance framework.

IT Galaxy is committed to maintaining transparency, responsible business practices, and continuous improvement while supporting a trustworthy and professional online experience for all users.

---

1. Purpose of this Disclaimer

The purpose of this Website Disclaimer is to explain the terms under which information, products, services, technical content, and other materials are made available through the IT Galaxy website.

This Disclaimer is intended to:

- Clarify the nature and intended use of the information published on the IT Galaxy website;
- Explain the limitations applicable to information, products, services, and content provided through the website;
- Inform users of their responsibility to independently verify information before relying upon it;
- Limit liability to the extent permitted by applicable South African law; and
- Promote transparency, responsible website use, and informed decision-making by all website users.

This Website Disclaimer forms part of the IT Galaxy website governance framework and should be read together with the **Website Terms and Conditions**, **Privacy Policy**, and **Cookie Policy**.

Nothing contained in this Website Disclaimer excludes, restricts, or limits any rights or obligations that cannot lawfully be excluded or limited under applicable South African legislation.

---

2. Scope

This Website Disclaimer applies to all visitors, users, customers, suppliers, business partners, and any other persons who access or use the IT Galaxy website.

This Disclaimer applies to:

- All information, content, text, images, graphics, documents, technical information, product descriptions, pricing information, quotations, downloads, and other material published on the IT Galaxy website;
- All products and services promoted or described on the website;
- All communications, recommendations, and general information made available through the website; and
- The use of all publicly accessible pages, features, and functionality available on the IT Galaxy website.

This Disclaimer applies whether the website is accessed using a computer, mobile device, tablet, or any other internet-enabled device.

This Disclaimer does **not** apply to:

- Contractual agreements entered into directly between IT Galaxy and its customers;
- Product warranties or manufacturer warranties expressly provided in writing;
- Specific written quotations, proposals, or agreements issued by IT Galaxy;
- Third-party websites or services that may be accessed through links on the IT Galaxy website; or
- Matters specifically governed by the IT Galaxy **Website Terms and Conditions**, **Privacy Policy**, or **Cookie Policy**.

Where separate agreements, policies, or terms apply, those documents will take precedence over this Website Disclaimer to the extent of any inconsistency.

---

3. General Information Disclaimer

The information published on the IT Galaxy website is provided in good faith for general informational purposes only.

While C TO Z SUPPLIES t/a **IT Galaxy** makes every reasonable effort to ensure that the information contained on this website is accurate, complete, current, and reliable at the time of publication, we make no representation, guarantee, or warranty, whether express or implied, regarding the accuracy, completeness, reliability, suitability, availability, or continued accuracy of any information published on the website.

Information published on the IT Galaxy website may be updated, amended, or removed without prior notice and should not be relied upon as the sole basis for making purchasing, business, technical, financial, legal, or other decisions.

The publication of information on the IT Galaxy website does not constitute an offer capable of acceptance, a binding quotation, professional advice, or a contractual commitment unless expressly confirmed in writing by an authorised representative of IT Galaxy.

Users are responsible for independently verifying any information before relying upon it and for contacting IT Galaxy where clarification or confirmation is required.

To the fullest extent permitted by applicable South African law, IT Galaxy shall not be liable for any loss, damage, cost, or expense arising directly or indirectly from reliance placed on information published on this website.

---

4. No Professional Advice

The information made available on the IT Galaxy website is provided for general informational purposes only and should not be interpreted as professional, legal, financial, accounting, taxation, engineering, technical, cybersecurity, or other specialist advice.

While IT Galaxy endeavours to provide accurate and helpful information regarding its products, services, and technology solutions, the information published on this website is of a general nature and may not be suitable for every individual, business, or specific circumstance.

Users should obtain independent professional advice appropriate to their particular requirements before making business, purchasing, financial, legal, technical, or other decisions based on information contained on this website.

Any recommendations, product descriptions, technical information, compatibility guidance, or general commentary published on the IT Galaxy website are intended solely to assist users in understanding our products and services and should not be regarded as a guarantee of suitability for any particular purpose or environment.

Where specific technical recommendations, quotations, project proposals, or professional services are required, users should contact IT Galaxy directly to obtain advice or recommendations based on their individual requirements.

Nothing contained on the IT Galaxy website creates a professional advisory relationship between IT Galaxy and any website user unless expressly agreed in writing.

---

5. Product Information Disclaimer

IT Galaxy makes every reasonable effort to ensure that product descriptions, technical specifications, compatibility information, images, pricing, availability, and other product-related information published on the website are accurate and up to date at the time of publication.

However, product information is provided for general informational purposes only and may change without prior notice due to factors including, but not limited to:

- Manufacturer updates or product revisions;
- Changes in technical specifications;
- Product discontinuation or replacement;
- Supplier information updates;
- Availability of stock;
- Pricing adjustments; or
- Corrections of errors or omissions.

Product images, illustrations, colours, and other visual representations are provided for illustrative purposes only and may differ from the actual products supplied.

While IT Galaxy endeavours to provide accurate compatibility and technical information, customers are responsible for confirming that products are suitable for their intended use, existing equipment, software environment, or specific business requirements before placing an order.

The publication of product information on the IT Galaxy website does not constitute a guarantee that any product will be available, suitable for a particular purpose, or free from manufacturer changes.

Where detailed product specifications, compatibility confirmation, pricing, availability, or technical advice are required, customers are encouraged to contact IT Galaxy before placing an order or relying on information published on the website.

Any manufacturer warranties applicable to products supplied by IT Galaxy remain subject to the terms and conditions of the respective manufacturer and any applicable South African legislation.

---

6. Technical Information Disclaimer

The IT Galaxy website may contain technical information, product specifications, compatibility guidance, system requirements, installation recommendations, configuration information, and other technology-related content for general informational purposes only.

While IT Galaxy makes every reasonable effort to ensure that technical information published on the website is accurate and current at the time of publication, technology products and services are subject to ongoing changes by manufacturers, software developers, and service providers. As a result, technical information may become outdated, incomplete, or subject to change without prior notice.

The suitability, compatibility, performance, and functionality of any hardware, software, peripherals, networking equipment, cloud services, or other technology products may vary depending on individual system configurations, operating environments, software versions, security settings, manufacturer updates, and other technical factors beyond the control of IT Galaxy.

Accordingly, IT Galaxy does not warrant or guarantee that any product, service, or technical solution described on the website will be compatible with every system or meet every customer's specific operational requirements.

Customers are encouraged to consult IT Galaxy before making purchasing or implementation decisions where compatibility, integration, performance, security, or technical suitability is an important consideration.

To the fullest extent permitted by applicable South African law, IT Galaxy shall not be liable for any loss, damage, system failure, business interruption, data loss, or other consequences arising from reliance on technical information published on the website without independent verification or professional consultation.

---

7. Third-Party Content and Links

The IT Galaxy website may contain links to third-party websites, products, services, applications, software, platforms, or other resources that are provided solely for the convenience and information of website users.

The inclusion of any third-party link, reference, logo, product, service, or resource on the IT Galaxy website does not constitute an endorsement, recommendation, approval, or affiliation by C TO Z SUPPLIES t/a IT Galaxy unless expressly stated.

IT Galaxy does not own, operate, manage, or control third-party websites or services and is not responsible for:

- The accuracy, completeness, or reliability of information published by third parties;
- The availability, functionality, or security of third-party websites or services;
- The products, services, software, or content provided by third parties;
- The privacy practices, cookie policies, or terms and conditions of third-party websites; or
- Any loss, damage, cost, or inconvenience arising from the use of or reliance upon third-party websites, products, or services.

Users who choose to access third-party websites or services do so entirely at their own discretion and risk. IT Galaxy encourages users to review the applicable terms and conditions, privacy policies, cookie policies, and other legal notices published by those third parties before using their websites, products, or services.

To the fullest extent permitted by applicable South African law, IT Galaxy accepts no responsibility or liability for the content, availability, performance, security, or business practices of any third-party website or service that may be accessed through links provided on the IT Galaxy website.

---

8. Website Availability

C TO Z SUPPLIES t/a **IT Galaxy** endeavours to ensure that the IT Galaxy website is available, secure, and operating efficiently at all reasonable times.

However, uninterrupted access to the website cannot be guaranteed. The website may be temporarily unavailable, restricted, suspended, or interrupted from time to time due to circumstances including, but not limited to:

- Scheduled maintenance or system upgrades;
- Technical faults or system failures;
- Internet or telecommunications service interruptions;
- Cybersecurity incidents or malicious attacks;
- Software or hardware failures;
- Third-party service provider outages; or
- Events beyond the reasonable control of IT Galaxy.

IT Galaxy reserves the right to modify, suspend, restrict, discontinue, or withdraw any part of the website, its content, products, services, or functionality at any time without prior notice where reasonably necessary for operational, security, legal, or business reasons.

While IT Galaxy takes reasonable measures to protect the website against unauthorised access, malicious software, and other security risks, users acknowledge that no website or internet-based service can be guaranteed to be completely secure or free from interruptions, vulnerabilities, viruses, or other harmful components.

Users are encouraged to use appropriate security measures, including maintaining up-to-date antivirus software, firewalls, and system updates when accessing the IT Galaxy website.

To the fullest extent permitted by applicable South African law, IT Galaxy shall not be liable for any loss, damage, delay, business interruption, or inconvenience arising from the temporary unavailability, interruption, suspension, or failure of the website or any of its services.

---

9. Limitation of Liability

To the fullest extent permitted by applicable South African law, C TO Z SUPPLIES t/a **IT Galaxy**, its directors, employees, representatives, contractors, suppliers, affiliates, and service providers shall not be liable for any direct, indirect, incidental, consequential, special, or punitive loss, damage, cost, expense, or liability arising from or in connection with:

- Access to or use of the IT Galaxy website;
- Reliance on information published on the website;
- Errors, omissions, inaccuracies, or outdated information;
- Temporary unavailability, interruption, suspension, or failure of the website;
- Technical faults, software errors, viruses, malicious code, or cybersecurity incidents;
- The use of or inability to use products, services, downloads, or other materials made available through the website;
- Third-party websites, products, services, or content accessed through links on the website; or
- Any unauthorised access to or alteration of information transmitted through the website.

Users acknowledge that the use of the IT Galaxy website is entirely at their own discretion and risk.

Nothing contained in this Website Disclaimer shall be interpreted as excluding, restricting, or limiting any liability, rights, warranties, guarantees, or remedies that cannot lawfully be excluded or limited under applicable South African legislation, including the **Consumer Protection Act, 2008**, the **Electronic Communications and Transactions Act, 2002**, or any other applicable law.

Where liability cannot lawfully be excluded, IT Galaxy's liability shall, to the fullest extent permitted by law, be limited to the minimum extent required by the applicable legislation.

---

10. Intellectual Property

Unless otherwise stated, all content published on the IT Galaxy website, including but not limited to text, graphics, logos, icons, images, photographs, audio, video, layouts, website design, branding, software, downloads, documentation, and other materials, is the property of C TO Z SUPPLIES t/a **IT Galaxy**, its licensors, or its content providers, and is protected by applicable intellectual property laws.

Users may access and use the content available on the IT Galaxy website solely for lawful, personal, and non-commercial purposes related to obtaining information about IT Galaxy's products and services.

Except where expressly permitted by applicable law or with the prior written consent of IT Galaxy, no content published on the website may be copied, reproduced, modified, distributed, published, transmitted, displayed, licensed, sold, reverse engineered, or otherwise exploited for commercial purposes.

All trademarks, trade names, product names, logos, brand names, and other intellectual property displayed on the IT Galaxy website remain the property of their respective owners. The inclusion of third-party trademarks or brand names on the website is for identification, compatibility, descriptive, or informational purposes only and does not imply ownership, endorsement, sponsorship, partnership, or affiliation unless expressly stated.

Nothing contained on the IT Galaxy website shall be interpreted as granting any licence or right to use any intellectual property belonging to IT Galaxy or any third party without the prior written permission of the relevant rights holder.

Any unauthorised use of the intellectual property displayed on the IT Galaxy website may constitute an infringement of applicable intellectual property laws and may result in civil or criminal proceedings where permitted by law.

---

11. Changes to this Disclaimer

C TO Z SUPPLIES t/a **IT Galaxy** reserves the right to review, amend, update, replace, or withdraw this Website Disclaimer from time to time to ensure that it remains accurate, relevant, and aligned with applicable legislation, regulatory requirements, industry standards, and changes to the IT Galaxy website, its products, services, or business operations.

This Website Disclaimer may be updated to reflect, among other things:

- Changes in applicable legislation or regulatory requirements;
- Changes to the IT Galaxy website, its functionality, or available services;
- Changes to products, product information, or technical content;
- Changes to business operations or governance practices;
- Improvements to the accuracy, clarity, or completeness of this Disclaimer; or
- Any other changes considered necessary to protect the interests of IT Galaxy and its website users.

Any amendments to this Website Disclaimer will become effective upon publication on the IT Galaxy website unless a later effective date is expressly stated.

Users are encouraged to review this Website Disclaimer periodically to remain informed of any updates.

The latest approved version of this Website Disclaimer will always be available on the IT Galaxy website and will supersede all previous versions from the effective date of publication.
